

Fireworks Booth Permit

APPLICATION FOR A TEMPORARY PERMIT TO DISPLAY AND SELL FIREWORKS

GUIDELINES AND GENERAL INFORMATION

It is unlawful for any person to sell "safe and sane fireworks" within the City without applying for and receiving a City permit.

ELIGIBILITY

1. Permits to sell fireworks shall only be issued to nonprofit organizations or corporations organized primarily for veteran, patriotic, welfare, civic betterment or charitable purposes.
2. Pursuant to Section 8.24.060.B of the Rocklin Municipal Code, the organization or corporation shall have been established with a bonafide membership of at least twenty (20) members for a minimum of one year continuously preceding the filing of the applicant for the permit, and (A.) Shall have its principal and permanent meeting place at a physical location within the City of Rocklin, or (B.) Shall have obtained a fireworks permit under this chapter from the Fire Chief in or prior to 1999 and shall have its principal and permanent meeting place at a physical location within the 95677 or 95765 Post Office zip code.
3. No organization, or affiliate of said organization, shall submit more than one application for a permit to sell fireworks within the City of Rocklin. Submittal of more than one application shall be grounds for denial of all applications.

APPLICATION PROCESS

1. All applications for permits to sell fireworks shall be in writing to the Fire Chief on forms supplied by the City. Applications shall be filed beginning May 1 through June 8, at which time filing for this year will close.
2. Applications shall include a detailed drawing of proposed location of stand. Drawing shall include accurate measurements to surrounding structures, roadways, utilities and vegetation.
3. Applications shall be accompanied by a license issued by the State Fire Marshall in accordance with Division XI, Chapter 3 of the California Health & Safety Code, and proof of coverage by one or more policies of public liability, property damage, and product liability insurance with limits of not less than \$1,000,000 public liability, \$25,000 property damage and \$300,000 products liability. No policy providing for a deductible shall be acceptable.
4. A non-refundable application fee of \$50.00 shall accompany every application for a permit.

5. Applicants shall be notified by June 20 of each calendar year by the Fire Chief of the approval or disapproval of the application for the permits. Organizations whose permits have been approved shall have up to and including July 2, to pick up the permit.

OPERATION OF STAND

1. No person shall sell fireworks to any person under the age of 18.
2. Sale of fireworks shall begin no earlier than 12:00 noon on June 28 and shall not continue after 9:00 p.m. on July 4. Sale of fireworks shall be permitted only from 9:00 a.m. to 9:00 p.m. daily.
3. All fireworks shall be retained at the approved location. In no event shall unsold fireworks be removed from the approved location to any other place without written approval of the Fire Chief.
4. Transportation of fireworks in a private vehicle, by permittee or agent thereof, for the purpose of storage relocation is **prohibited** by state law.
5. No person other than the permittee organization shall operate the stand or participate in the profits of the operation of the stand.
6. No person other than the members of the organization or their spouses, parents, or adult children shall sell or otherwise participate in the sale of fireworks at the stand.
7. No person under the age of eighteen shall sell or participate in the sale of fireworks.
8. Each stand shall have an adult watch person in attendance while the stand is being used for the sale, display, or storage of fireworks. In lieu of a night watch person, a Class II magazine or equivalent, as approved by the Chief, may be used to store fireworks.
9. All complaints and/or violations shall be forwarded to the fireworks supply company.

TEMPORARY FIREWORKS STAND

1. Fireworks stands shall not be located within twenty-five feet (25') of any other building, nor within one hundred feet (100') of a gasoline service station and its pumps. Stands shall be at least one hundred and fifty feet (150') apart.
2. Stands shall be constructed in a manner which will insure the safety of the attendants and patrons. Electrical installations shall comply with all applicable codes.
3. No stand shall have a floor area in excess of seven hundred and fifty square feet.
4. Each stand must have a minimum of two exits. Stands greater than forty feet (40') long shall have a minimum of three equidistantly spaced exits. Exit doors shall not be less than twenty four (24") inches wide and six feet (6') in height and shall swing in direction of outward travel.
5. Each stand shall have a minimum of two (2) fire extinguishers. They shall be either 2 1/2 gallon "water type", or 5 lb 2A 10BC (multi-purpose) type. Fire extinguishers shall bear
